Dear Valued Skyjack Customers and Partners,

We hope that this letter finds you all doing well and in good health in this new year.

Due to the continued demands we are experiencing, we will be implementing a 3% increase on all parts effective February 1, 2026. Here are a few key points:

- All orders placed prior to 2/1/2026 will have the pricing honored.
- New Price Files are available at www.skyjack.com/order-parts
- Parts not online or on the file are Call for Quote
- All pricing listed is in USD and does not include or cover any tariffs, duty or brokerage fees.

We greatly appreciate your understanding and continued patronage. If you have any further questions or concerns, please do not hesitate to contact us. We thank you for your continued business and support as a valued Skyjack Customer.

Kind Regards,
